Bishop Dedicates Holy Cross High

The Staff of Holy Cross High School

The Most Reverend George W. Ahr, S.T.D., Bishop of Trenton, dedicated Holy Cross High School in an impressive liturgical ceremony on Sunday afternoon, November the seventeenth. Colorful Knights of Columbus preceded the Bishop in procession and formed a Guard of Honor for His Excellency, the priests, and the Sisters as they entered the school building.

Rev. Paul A. Cartier, Ph.D., Principal of Holy Cross, gave the Introduction in the auditorium after the school had been blessed by His

Excellency. Father expressed his gratitude to the Bishop, the architect, the building consultant, the contractors, and all workers.

The principal speaker of the day was the Rev. Victor Yanitelli, S. J., Student Personnel Director at Fordham University. The prayer, "Come, Holy Ghost," embraced Father's message for all who are connected with the school—pastors, parents, staff, and students; and Father urged them to place their confidence in the Holy Spirit that the future may accomplish the aims now established.

In his remarks the Bishop advised the first freshman class to shoot high in their spiritual and intellectual attainments since they are responsible for creating the traditions and the spirit of Holy Cross High School. His excellency placed upon parents the responsibility of supervising the home study of their children and their conduct outside of school hours. He warned those students who do not conform that, because of limited space in our schools, their places would be given to others who appreciate the opportunities offered at Holy Cross.

The traditional Homecoming dance.

A crisp autumn day, an enthusiastic crowd, lively cheerleaders, breath-taking displays of bands, a sudden reverential pause for the National Anthem, an imperative umpire's call, the hard contact of the football players, and the Homecoming Game of 1976 was a reality. Half time vibrates with glorious flags which circled the field as the excited crowd roared in applause.

Lancers and Chiefs, throughout the afternoon, kept spirits at high pitch until the final buzzer — The Lancers had trounced the Chiefs 34-6.

Homecoming evening climaxed the day's excitement. The interplay of soft lights, unique decorations, regally attired couples created an atmosphere befitting the high point of the evening, the crowning of Lori Burke, as queen.

The splendor and glory of the evening was, however, but the climax of days of fun. Which of us will forget the joyous competition of the Maroon and White teams, of the days spent in preparation of floats, of anticipation of the Lancer's success — these and so many other incidents are and will remain a vital part of Homecoming 1976!

Holy Cross first opened its doors on September 4, 1957, under the leadership of Rev. Paul Cartier, principal; Sister Margaret Marie, C.S.C., assistant principal, and a faculty of nineteen, composed of diocesan priests, Sisters of the Holy Cross from Notre Dame, Indiana, and a staff of lay teachers.

The tenth anniversary of Holy Cross was marred by the untimely death of Father Cartier on February 12, 1967. On April 12, 1967, Holy Cross was introduced to its new principal, Rev. William Capik. Father Capik was the guiding force of the school until his assignment as a pastor in June 1972. Rev. Joseph M. LaForge, our present principal, assumed his duties in the fall of 1972.

After twenty years, the faculty has expanded to a total of seventy-four. Through their sincere dedication to the young people who have come to Holy Cross, members of the faculty have made a lasting impression on the lives of the students. We are indeed indebted to these men and women who have unceasingly and tirelessly given of their time and effort to make us better students, better citizens, and better Christians.

Holy Cross has always maintained a basic academic curriculum. In addition there have been offerings in business, home economics, mechanical drawing, art, and music.

College level and advanced placement courses are offered in the fields of science, mathematics, languages, and social studies.

Each student is expected to develop a program of studies which relates to his abilities and interests, his past performance, his goals and ambitions. Every effort is made to provide all students with the basic education and skills required in today's society and for admission to colleges, technical schools, and nursing school.

Extra-curricular activities afford an added dimension to life at Holy Cross. Students have always had a wide and varied range of activities which challenge the interest of every student.

The first step toward a Student Council was taken on December 3, 1957, when Freshman officers were elected. Today the Student Council is one of the more vital clubs. Students interested in Glee Club had their first practice in early November culminating in the presentation in June of the musical "Tulip Time". Now the spring musical is one of our cherished traditions. The initial Debate Club drew one hundred thirty-seven students; this club continues to attract students. In 1960, forty-seven students were admitted to the Saint Thomas Aquinas Chapter of the National Honor Society. The first issue of the school paper was published in November 1957 and the first issue of the Yearbook was in 1961. From the beginning sports were important. Freshman basketball and football squads worked up to a varsity schedule. The athletic program has grown until today it includes most sports for high school students. Participation in extra-curricular activities has always been an important part of life at Holy Cross.

Freshmen Adopt High School Ways

Freshman year has given to each of us times of anticipation, times of thought, times of fun. Orientation time brought a new beginning, new subjects, new teachers, and new friends. Spirit Week was a time when the entire school was one, a time when the mighty Lancers marched to victory over the Chiefs. Other times followed with pep rallies, football games, the Thanksgiving food drive, the Toys for Tots drive, decoration of the halls for Christmas, skating parties, dances, plays, the musical.

Holy Cross has now become our school, not just a school. For us, the Class of 1980, our Freshman year has been filled with serious times, with fun times, with memory times.

Sophomores Display Spirit

Spirited Sophomores began the school year with great enthusiasm. This enthusiasm was quickly transformed into enormous success when they captured the Spirit Stick for the second consecutive time in the Float competition during Homecoming. They tasted victory again when they triumphed over the Freshmen in the Soph-Frosh Bowl. The highlight of the year for the entire class was the Sweetheart Cotillion when a record crowd attended the dinner-dance in February.

Now high spirit continues at the prospect of maroon blazers, class rings, Prom, and two more wonderful years with friends. Junior year with its expectations of new challenges offers each one exciting opportunities.

Juniors Accept Greater Challenge

Eagerly we viewed our Junior year as a bright beginning as upperclassmen. Enthusiasm and determination were paramount to every junior to make the 1976-77 school year the best ever.

Maroon blazers and class rings symbolized our new status ... The spirit of our vivacious class exploded at various sport events, pep rallies, dances, skating parties, and Prom.

All these memories contributed to make junior year a roaring success. With high hopes and joyful anticipation, we look forward to the excitement which senior year offers.

On June 12, 1961, the First Annual Commencement Ceremonies of Holy Cross High School took place with 235 students graduating. We the sixteenth graduating class consisting of 348 seniors, proudly received our diplomas on June 5, 1977.

Senior year is one of varied activities. It is an exciting and challenging year. While we were having our portraits taken, falling off of our skis on the class trip, anxiously awaiting acceptance into a college, dancing the night away at our Senior prom, and meeting with our friends for one last time to receive our Yearbooks, many things were going on in the world around us. James E. Carter became the new President of the U.S., and former President Ford retired to California after many years in public life. The coldest winter in history took place with subzero temperatures, record snow falls, and gas rationing.

Senior year, a year of mixed emotions and many activities — one which we will always cherish and remember.

1977

Seniors

THE FIRST DAY

by Christina Rossetti

I wish I could remember that first day,
 First hour, first moment of your meeting me,
 If bright or dim the season, it might be
 Summer or Winter for aught I can say;
 So unrecorded did it slip away,
 So blind was I to see and to foresee,
 So dull to mark the budding of my tree
 That would not blossom yet for many a May.
 If only I could recollect it, such
 A day of days! I let it come and go
 As traceless as a thaw of bygone snow;
 It seemed to mean so little, meant so much;
 If only now I could recall that touch,
 First touch of hand in hand — Did one but
 know!

Mike,
You're my favorite
first only because you
good. Thanks for sharing
Mike eraser with me in
alc. Wood luck in all you do
and take care. Love,
Kathy

Mike,
You're a real nice guy.
And you're good when you're
down. (Sure) Good
luck in all you do in the
future and never forget to
people at H.C. Love,
Mary Ann

Dear Mike,
It seems like a
short while ago that
we graduated from
Sacred Heart. The years
have gone quickly. I only
hope you enjoyed them as
much as I did. Have a happy
life Mike!
Mary Ann

Dear Mike,
I hope you've had
as much fun as I've
had these four years. You've
only been in 1 of my class-
es all four years, and that
class was bad because I
hate Algebra. I know this
doesn't make sense.
But stay a nice kid
and best of luck in
whatever you do in
life. Love,
Kathy
Gay

Mike
Even though
you did all
that ~~browning~~
browning
in
English
you still
got a
B
Joe

Judging from Calc,
you should've got class cheater
Mark Mayer

Mike
Hope these 4
years have been good
to you. Good luck in
all you do. Have a great
summer
for
for

Big Mike,
when are you going to
spare me your chicker (877-9594) 1st for the first 2 min
It's been beating you at class later - have a great summer.

Love

P.S. take the rubber band off and you'll sound more
masculine!!!

Mike,
It's been great ~~no~~ knowing you!
Have a great SUMMER!!!

MIKE,
HAVE A GREAT
TIME IN YOUR
FUTURE ENDEAVORS
IN THE GREAT LONG
ROAD WE ALL KNOW AS
LIFE. (THE PROF. ought to
BE ABLE TO DECIPHER THAT)
Pat
(I DON'T THINK YOU
KNOW ME)

Geek,
I'm planning a trip
to the moon. You're
invited to come -
provided you bring plenty
of gas money. I am eager
to start my interplanetary rock
garden, so start saving. It was
nice to have "associated" with you
Geek, But I'm sure high school will
not terminate it. Have a nice college
experience - and I'll see you around -

Bob Hayes

It James,
Hope we both forget
about those stupid
physics projects, but
remember Calc.
 $15 \frac{1}{2} \text{ hr} (2x + 5) \frac{1}{2} \text{ hr} = ?$
